

Wells City Archers Beginners Invitation

Now that you have completed your beginners course,
you are invited to join the club.

If you are unsure about making the decision, we welcome you to come and shoot at Wells City Archers on two Thursday evenings before signing up with us.

Thursday evenings are our coaching night – so you will have a chance to meet other club members and still be supported by our club coaches. You can borrow club equipment and see what it is like to be part of the club.

The cost is £5 per night and you can shoot from 6pm to 8.30pm. We ask that you let us know in advance by email if you intend to attend.

After these two sessions if you wish to join the club, you will need to follow the instructions to become a member. And we will deduct the £10 from your first annual club membership fee.
